NUCASLL@NORTHWESTERN.EDU

May 9, 2025 Healthy Hearing Event

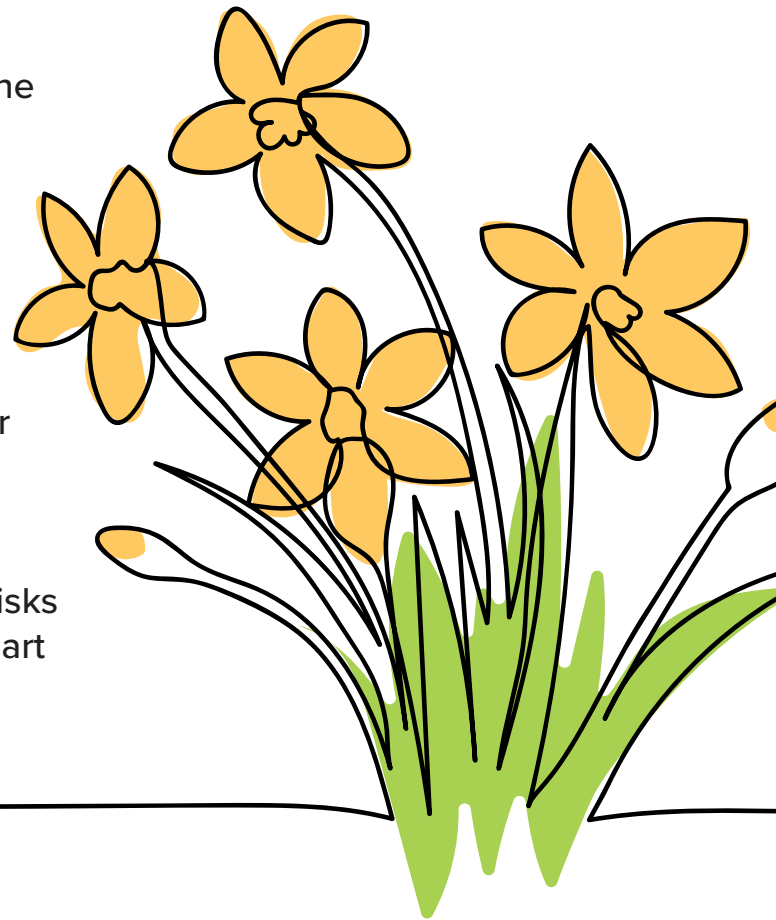

Call to Register 847-491-3165

Plan to Attend If:

- You are experiencing bothersome ringing in the ears (tinnitus).
- People often seem to mumble or speak in a soft voice.
- You have difficulty understanding speech in groups or crowded places.
- You set the volume on your TV or radio louder than your family prefers.
- You feel tired after long conversations.
- You are curious about the associated health risks with untreated hearing loss (e.g., diabetes, heart disease).

Attendees Will:

- Receive a Free Hearing Screening
- Speak to an Audiologist
- Demo Hearing Devices

Northwestern
University

Let the doctors of audiology at
Northwestern University help you take
charge of your hearing health.
