

LSVT LOUD[®] FOR KIDS

FREE VIRTUAL INFO SESSION FOR PARENTS & CAREGIVERS

WHAT IS LSVT LOUD FOR KIDS?

LSVT LOUD for Kids is an evidence-based speech therapy program designed to help children with Down syndrome and cerebral palsy use a stronger, clearer voice. It supports improvements in vocal loudness, speech clarity, and communication confidence in fun, engaging ways.

WHAT YOU'LL LEARN

Join Leigh Cohen, M.S., CCC-SLP, and a team of graduate student clinicians from Northwestern University for an engaging live session. You'll gain:

- A clear overview of the LSVT LOUD for Kids program
- Real examples of how the therapy is delivered
- Dedicated time to ask questions and learn more

**4
JUNE**

EVENT DETAILS

- Date: Wednesday, June 4
- Time: 6:00 – 7:00 PM (CST)
- Location: Zoom (link provided after registration)

REGISTER NOW

Scan the QR code or go to <http://bit.ly/4j4kHWW> to register, click over to June, and create an account to sign up. The Zoom link will be emailed after registration.
