

# HEALTHY HEARING COMMUNITY SCREENING

DON'T MISS THE  
SOUNDS OF THE  
SEASON!

## Plan to attend if:

- You experience bothersome ringing in the ears (tinnitus).
- People often seem to mumble or speak in soft voice.
- You have difficulty understanding speech in groups or crowded places.
- You set the volume on your TV or radio louder than your family prefers.
- You feel tired after long conversations.
- You are curious about the associated health risks of untreated hearing loss.

## Participants will:

- Receive a free hearing screening
- Speak to an audiologist
- Demo hearing devices

*Let the Doctors of Audiology at  
Northwestern University help you  
take charge of your hearing health.*
